

The Cuchara Foundation is supporting Huerfano County in its purchase of the base area of the former ski area in Cuchara, Colorado.

The land will become a year-round public park with fun and entertainment for all.

We need your help to reach the goal of \$200,000. Be part of this exciting plan by sending your donation today!

**IMAGINE . . .  
A NEW COUNTY  
MOUNTAIN PARK  
IN CUCHARA!**

**A new Mountain Park, you say . . .Yes!** Huerfano County is purchasing approximately 44 acres at the defunct Cuchara Resort. Funding for the purchase will come from funds raised from the community by the Cuchara Foundation. This parcel is most of Tract A at the mountain base, including the hill area up to the start of the national forest at the water tank, "lift 4", the bottom of "lift 3", and most buildings that were used in the operations, excluding the concrete base buildings.

### How will the park be used? . . .

The goal: to create a public park for year around use/enjoyment. Think winter sports, summer activities, music, education.

### The County wants your input . . .

The County plans to apply for a grant from the Department of Local Affairs to complete a comprehensive study and master plan that will include input from our community. We encourage you to attend the local meetings that are being planned to tell us what you would like to see at the park. Information about the meetings will be in local newspapers and on the Cuchara Foundation Facebook page and web site: [CucharaVillage.com](http://CucharaVillage.com)

### Some possibilities to consider . . .

- Music events
- Mountain biking
- Hiking
- Picnics
- Sledding
- Tubing
- Cross country skiing
- Snowshoeing
- Special events (weddings, parties, etc.)
- Educational projects
- Access to the National Forest

The possibilities are endless!

### Help make it happen . . .

The Cuchara Foundation is issuing a challenge to the community to raise \$200,000 for the purchase of the property and for matching the first of many grants for which the county will be eligible.
