

Imagine – a new year around park in Cuchara!

Yes, it is true! Huerfano County is purchasing approximately 44 acres at the old Cuchara Resort and will develop a county park there.

Some possibilities of things to come. . .

- Music events
- Mountain biking
- Hiking
- Picnics
- Sledding
- Tubing
- Classes and seminars
- Special events (weddings, etc.)
- Great access to National Forest

Your ideas count!

The County will apply for a grant from the Department of Local Affairs to complete a comprehensive study and master plan that will include input from our community. Meetings will be announced in the local papers and at the Foundation web site: www.cucharavillage.com We encourage you to attend one of the local meetings.

And your donations are needed!

The Cuchara Foundation has given the county a \$25,000 grant for the first payment on the land. Now we ask you to consider making a donation to the effort and help move us further toward our goal of \$200,000. The Cuchara Foundation is a 501.c.3 so your donations are eligible for a tax deduction. The Foundation has a separate fund set up so your donations will go exclusively for the Mountain Park purchase. And, in addition to all the fun, think about bringing friends and family to the park where they will see the names of all who contributed to its purchase right there on permanent display. Wouldn't it be nice to see *your* name on that list?!

Send your contributio to the Mountain Park Account, Cuchara Foundation, 137 Cuchara Avenue East Cuchara, Colorado 81055. The Foundation will acknowledge your gift and send a receipt for tax purposes. 100% of your donation will go to this project – no overhead, no indirect cost. *Please write "Mountain Park" on your check and provide your mailing and email addresses and phone number.*
